Big White Ski Resort Freestyle Team hosts Halfpipe and Slopestyle Competition

The Freestyle team at Big White Ski Resort hosted a regional Half Pipe and Slopestyle competition this weekend (February 15th and 16th). The weekend's event was aimed at the 12 and under age category with participants coming from Big White Ski Resort, Silver Star and Apex to compete. This event continues to grow each year as this is a great opportunity for athletes, who otherwise may still be unsure of competing provincially, to compete on a regional level instead.
