

Mount Washington Ski Coach Job Description

Mount Washington Freestyle Club is seeking experienced, passionate and fun freestyle ski coaches. We are looking for enthusiastic individuals who are committed and accountable to actively and safely guide athletes in their development and encourage our team to perform at their best in freestyle skiing.

- You are a positive role model for our athletes and families of the club. A true team player, honest, and have exceptional communication skills with our athletes, other coaches, our board and club families. Enjoy building rapport with athletes, coaches, parents and the community.
- You have outstanding knowledge of freestyle skiing with proven coaching skills.
- You have the commitment and ability to entice and activate our athletes ability in moguls, halfpipe, park and all mountain terrain using the Freestyle Canada Athlete pathway.
- You enjoy the creation and execution of a program based on an athlete's ability and follow the LTAD model of coaching.
- You enjoy travelling to some of the best ski areas around BC, Alberta and beyond; skiing some of the best mountain terrain in the world.
- You have Freestyle Canada and NCCP certifications as outlined below and proven coaching and competition experience.
- You are keen on safety and respect in the environment that we are playing in.

Responsibilities

- Lead with strong communication and coaching skills to develop and provide consistent high quality training for athletes and other coaches to achieve excellence in the sport of freestyle skiing
- Winter on snow at Mount Washington
- Summer training on Vancouver Island, Whistler, access to water ramping facility in Whistler and other dryland training.
- Trampoline training along with fitness and conditioning
- Assist with design of and implementing training in competitive and recreational programs for athletes of all abilities within Mount Washington Freestyle Ski Club.
- Represent Mount Washington Freestyle Ski Club at competitions and other events throughout the season. Work with board members, families and other stakeholders

- Standard first aid with CPR/AED Level C or the willingness to pick that up.

Other duties to include:

- Working along-side team coaches to support the program, planning and scheduling, communications with the team's families, board of directors and BC Freestyle and managing expenses to meet a described budget.
- Respect personal growth and mentor best health and safety practices for our athletes
- Be active in the development of the freestyle skiing sport discipline in the BC Freestyle Skiing Association and Freestyle Canada.
