

National Training Centre Donation Request Letter

Ullr Gala – GLC, November 30th

The vision to create a National Training Centre for freestyle skiing at Whistler Blackcomb started seven years ago by a group of passionate freestyle skiers, parents and enthusiasts. With the goal of creating a world class stage that will draw freestyle skiers from around the world and elevate WB as one of the “GO-TO” resorts to train and compete, this group secured a memorandum of understanding between the Club and WB. This helped secure a \$300,000 donation from the Whistler Blackcomb Foundation, with funds being released only once the matching \$300,000 had been raised.

Well that day has come! After years of persistence and dedication we are so excited to announce that the NTC Society has now secured a Naming Rights Sponsor – The Gemini Trust Company – a world class digital asset exchange - owned by 2 former Olympians and passionate mogul skiers! Along with donations from our Friends and Family Campaign and our past Ullr Galas we have now matched the WBF donation and will be breaking ground after this ski season. However we still need a final fundraising push to cross the finish line in order to build the centre to budget!

Please help us raise \$35,000 to complete the NTC as planned. We are hosting our 3rd annual NTC fundraiser - “Freestyle ULLR Gala” at the GLC on November 30th.

We would love your support by donating a product or service to our Live or Silent auctions. Our event is expected to draw over 150 ski enthusiasts from the Sea to Sky corridor. Our interactive Silent Auction will have a broad reach and will be promoted by and shared to all of our contacts across the globe. Not only will your company/brand be seen by many, but we will ensure maximum bids for your amazing donations through our powerful events team!

All donors will be recognized at the event, on our social media platforms, and in the online auction 2 weeks prior to the event date. We can only reach our goal through generous donations from our community. Thanks so much for your consideration. Every donation helps!

Please email us the following information:
