

# Sun Peaks Freestyle Club

## Multiple Positions:

- High Performance Program Director
- Air 4 Coach
- Freestylers Coaches

Sun Peaks Freestyle Club (SPFC) is a fast-growing club looking to fill several new positions for the 2022-2023 ski season.

SPFC currently has more than 80 skiers (plus another 20+ snowboarders). The club runs training sessions on Fridays, Saturdays, and Sundays throughout the ski season (mid-November until mid-April), along with trampoline and water ramp training sessions at outside facilities in the off-season. We send a large number of club members to compete in all 3 Timber Tour events each year, and some of our athletes have also competed at Canada Cups and/or Junior Nationals. In 2022, the club also hosted stops on the Canada Cup and Timber Tour circuits.

Sun Peaks is an excellent place to live and work where you can truly enjoy living the mountain lifestyle. According to the 2021 census, Sun Peaks is the fastest growing municipality in BC, with a permanent population of more than 1,400 residents. Sun Peaks is a well-established community with excellent amenities such as a health center, sports center, and growing school which makes for an excellent family setting. The school attracts many ski-loving families to live in the resort and acts as an excellent feeder for the freestyle program since the school kids are on skis almost every day and they are hungry for ways to advance their skills. The Sun Peaks community is known for being very strong when it comes to supporting and growing programs such as SPFC. Sun Peaks is very centrally located in British Columbia which is great for travelling to events around the province. Sun Peaks is a year-round resort that has great reliable snow conditions, good snowmaking infrastructure, and great summer weather too.

For the 2022-2023 season, SPFC will be establishing a new high-performance program. The High Performance Program Director is a new position that would have responsibility for designing and implementing all facets of this program. The High Performance Program Director will work closely with the SPFC Board of Directors to ensure that our participating athletes are provided a challenging and safe program that is consistent with Freestyle Canada's Long Term Athlete Development framework.

The ideal candidate for any of the posted positions would have:

- Proven ability to lead freestyle lessons with groups of various ages and ability levels
- Ability to communicate well with athletes, parents, board members, and other coaches
- Familiarity with CFSA policies and procedures
- A passion to promote the growth and well-being of the SPFC

Specific qualifications and certifications for each position are outlined below:

#### High Performance Program Director

- 8+ years freestyle coaching experience
- 2+ years experience as a program director
- Air 4B certified
- FUNdamentalz facilitator preferred
- First Aid training is an asset

#### Air 4 Coach

- 4+ years freestyle coaching experience
- Air 4A or Air 4B certified
- First Aid training is an asset

#### Freestylerz Coaches

- 2+ years freestyle coaching experience
- Minimum FUNdamentalz “Trained” status
- Air 1, 2, or 3 an asset
- First Aid training is an asset

All positions will remain open until filled. To apply, please send a resume to:
