## PURPOSE

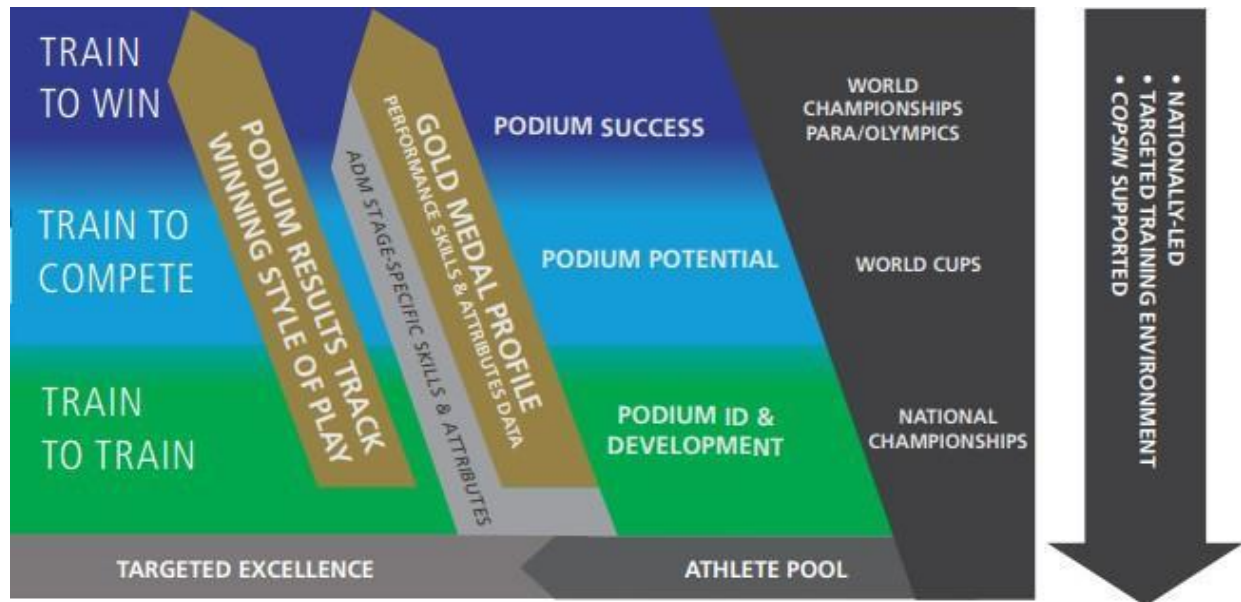

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centers, and Freestyle BC collaborates to deliver programs and services to place BC athletes<sup>1</sup> onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

This template provides a standardized process to identify athletes and coaches within the Freestyle BC high performance program as well as athletes who are tracking against key development pathway metrics toward national teams. The levels within the targeting seek to create a common standard across all sports; hence, the template must be used in its entirety. PSO/DSOs are able to adapt the template to suit their own purposes (e.g. branding, application process, etc.) provided all relevant information is contained within.

Canadian Sport Institute / PacificSport athlete and coach support for the Podium and Canadian Elite nomination focuses on athletes and teams 0-4 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent the current generation of National Team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9- 12 years away) of Olympic and Paralympic (or World Championship) medalists. Support may be focused more toward the future generation (9-12 years away) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years away) of athletes and teams.

**Figure 1 – Podium Pathway (LTAD 3.0)**

<sup>1</sup>In general, a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

## **DETAILS**

Through the above partnership, and with the above purpose in mind, Freestyle BC may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute and PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute athlete and coach benefits, programs, and services. Please see Appendix 1 for an outline of Freestyle BC targeted athlete benefits, programs, and services as delivered through Freestyle BC.

Targeted athletes are nominated by Freestyle BC based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to Freestyle BC Technical Representative – Camerson Smith <[cam@freestylebc.ski](mailto:cam@freestylebc.ski)>. As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward Freestyle BC high performance program benchmarks to remain targeted. Camerson Smith and the Canadian Sport Institute technical lead working with Freestyle BC have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / Freestyle BC targeting runs June 30th annually, and athletes are selected based on performances from the previous 12 months. Athletes who meet criteria throughout the annual nomination cycle may be added to the Freestyle BC targeted athlete list, on a case-by-case basis, by contacting the PSO/DSO Technical Representative.

## **ATHLETE/COACH REGISTRATION**

Once the athlete or coach is nominated, he or she will be notified by Freestyle BC and will be provided with information on how to register with his or her local Canadian Sport Institute campus or PacificSport regional centre. A Canadian Sport Institute or PacificSport. Athletes and coaches must register with their local centre in order to receive athlete or coach support.

## CORE CRITERIA

1. For nominations, athletes must be considered in good standing with Freestyle BC as a competitive athlete and meet the definition of a BC athlete.
2. In principle, all athletes nominated should have a designated coach who is responsible for planned programming with the coach(es)'s name and email identified on the targeted athlete list.

<sup>2</sup>Definition of appropriate is based on a number of factors such as peak development age, average age of National Team, sport's competition schedule, and logical pathway progression. CSI Pacific will make final determination.

## **Coach Nomination**

---

### *Canadian Sport Institute Criteria:*

Coaches are nominated by having his or her name included in the targeted athlete list when they are the coach of an athlete who achieves designated criteria. The PSO/DSO may nominate up to two coaches per athlete in cases where both the Provincial/National coach and a personal coach have a significant impact on the athlete's training program. While not required, it is highly recommended that PSO/DSO nominated coaches meet at least one of the following criteria:

- Be the lead person designing and implementing an annual training program for the athlete.
- Be designated as Provincial or Regional coach by the PSO/DSO.
- Be designated as a National Development / Senior National coach by the NSO.
- Be designated as athlete's coach of record based on sport-specific criteria below.

### *Freestyle BC Sport-Specific Criteria:*

- Certification in 6 of the 7 "Freestyle Canada Super Coach modules"
- NCCP Plan a Basic Sport Program + NCCP Nutrition + NCCP Basic Mental Skills
- NCCP Developing Athletic Abilities
