

Temporary Memberships

The goal of the Try Freestyle and Limited Participation Memberships is to grow our overall membership and have these participants become full members with a Club Athlete or higher level membership.

Try Freestyle Information

Approved Try Freestyle events will be sanctioned and insured by Freestyle Canada at no cost to the athlete or Club.

Try Membership Requirements:

- Try Freestyle membership, which has no cost for all athletes
- Athletes are only eligible to attend one Try Freestyle event per season. These activations are available for a maximum of 2 days.
- All coaches facilitating the event MUST have an active Coach Membership with all coach requirements completed.
- All Try Freestyle applications must be submitted two weeks before the event date.
- All registrations must be completed through the SnowReg platform.
- All administrators must ensure that the Rules Function in SnowReg is configured correctly.
- Indemnify Freestyle Canada using the legal language found at the bottom of this memo.

Limited Participation Membership Information

The Limited Participation Membership is ideal for giving new freestyle participants a taste of programming without immediately committing to the full membership. This membership category cannot be used for season-long winter programming, but it can be used in the winter for activities like multi-day school break camps.

Limited Participation Requirements:

- Freestyle Canada LPM costs \$30 - provincial membership costs vary across PSOs
- A maximum of 8 non-consecutive program days per athlete
- All program days must be completed in 30 days or less.
- All coaches facilitating the event MUST have an active Coach Membership with all coach requirements completed.
- All registration and transactions must be completed through SnowReg.
- All administrators must ensure that the Rules Function in SnowReg is configured correctly.
- Indemnify Freestyle Canada using the legal language found at the bottom of this memo.

Temporary Membership Sanction Request Form

Please note and communicate to your membership that the system logic only allows one checkout before the SnowReg platform prompts a membership upgrade from Try Freestyle to Limited Participation Membership and finally to Club Athlete. Please inform parents that purchasing additional programming will require a membership upgrade!

If you have any questions about the process, please contact info@freestylecanada.ski well ahead of time so we can assist you.
