TIMBER TOUR SERIES

Host Resort Letter of Support

To: Freestyle BC Event Selection Committee

Subject: Letter of Support – Timber Tour & Shred Series

Dear Freestyle BC Event Selection Committee,

Please accept this letter as formal confirmation of our support for our local Freestyle Club's application to host a Timber Tour event at our resort this winter. We would be honoured to welcome Freestyle athletes from across BC, and their families, to our resort.

We maintain an excellent working relationship with our local Freestyle Club and are fully committed to supporting them in the successful execution of this event. We pledge to provide competition venues that meet the specifications set forth by Freestyle BC and Freestyle Canada, ensuring they are safe, high-quality, and age-and stage-appropriate for the athletes.

We understand that each event consists of 1 training day and 3 competition days, with both the Timber Tour and Shred Series running simultaneously. We recognize that each of these events may draw upwards of 100+ athletes and require dedicated venues, volunteers, and resources. Our resort has the operational infrastructure and capacity to support this event in its entirety.

Approved Event Dates:

- **Training Day:** _____
- **Competition Days:** _____ to _____

We look forward to partnering with Freestyle BC and our local Freestyle Club to deliver a safe, world-class competitive experience.

Sincerely,

Signature: _____
